

# ASIA ENVIRONMENT AND SOCIAL SCIENCE CONFERENCE

Kyoto, Japan | December 11-13, 2026.

## Introduction

Asia Environment and Social Science Conference (AESSC 2026) will be held in Kyoto, Japan during December 11-13, 2026.

You are welcomed for the AESSC 2026 under the theme "Environment and Social Science". It is one of the leading international conferences for presenting novel and fundamental advances in the fields of Environment and Social Science. This also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving Environmental and Social Science related techniques.

## Publication

International Journal of Environmental Science and Development (IJESD, ISSN:2010-0264), which will be indexed by Scopus (CiteScore 2024: 1.5) and Chemical Abstracts Services (CAS), CABI, Ulrich Periodicals Directory, Electronic Journals Library, Crossref, ProQuest.

International Journal of Social Science and Humanity (e-ISSN: 2010-3646), papers related will be reviewed by both conference committee and IJSSH editorial team, accepted papers will be published into regular issues of IJSSH. The journal is now indexed by Google Scholar, Crossref.
